

*Therefore, I say to you, don't
worry about your life...*

*Look at the birds in the
sky...your heavenly Father
feeds them.*

*Aren't you worth much more
than they are?*

The Sparrow Project

Questions?

Have you ever been too sick to take yourself to the doctor or too sick to pick up a prescription?

Do you live alone and ever found that you couldn't reach a light bulb that has burned out?

Are you no longer able to drive and occasionally need a ride to the grocery store?

These are just a few needs that we some times encounter that other people may be able to help us with; daily challenges that when they occur, we often don't know who to call.

The Sparrow Project

is focused on building a reliable central registry/directory where our congregation members can find someone to help with certain tasks when a need arises.

What Can I Do?

Are you interested in using a service like this? If so, please list below what task(s) you may use.

You do not need to sign your name at this time. We just want to know what needs are out there.

Are you willing, able and available to help with simple tasks or have a special skill, please list your name below and what you are able to do.

Please return this form to the church office. A basket is provided on the Volunteer's Desk.

"I passionately feel that this is a need of our church but to be successful, I need your feedback. If you have any questions, please feel free to call me, Lauren Hall at (336) 239-0860."
